

GOBHI Webinar Training Series

GOBHI is offering a series of free webinar trainings for its providers. While the schedule is subject to change, webinars, conducted by Charles Lane Crow, MH, CHC, will generally occur from 9:00 a.m. to 11:00 a.m. on the second Friday of every month through the remainder of this year.

- ✚ May 14: Introduction to Encounter Data Reporting for New Employees**
- ✚ June 11: Access, Entry and Assessment in a Capitated System of Managed Care
- ✚ July 9: Introduction to Encounter Data Reporting for New Employees
- ✚ August 13: Service Planning and Procedure Code Criteria
- ✚ September 13: Introduction to Encounter Data Reporting for New Employees
- ✚ October 8: Documenting Services to Support Medical Necessity
- ✚ November 12: Introduction to Encounter Data Reporting for New Employees
- ✚ December 10: Service Planning and Utilization Management in a Capitated System of Managed Care.

To register your staff for any of these webinars, please contact Misty Mastin at GOBHI (541-298-2101 or misty.mastin@gobhi.net).

The deadline for registration will be the Friday immediately before each training. If you want to register several members of your staff, you may do so separately or register as an agency and use a projector for group viewing of the presentation.

Participants will receive an email message on the Tuesday prior to the training providing them with information for logging on to the webinar.
